CAPTAIN EFFICIENT (10) ran a good race when finishing second at a long odds over this course and distance last start. The manner in which he stayed on at the finish that day was encouraging. He would have come on from the run and should strip much fitter. MIRACULOUS MAN (4) was in the money last start when finishing second at this track over 1000m. Has placed in his last five starts and looks hard to beat. GRADUATION TIME (6) placed third at long odds last start at Fairview All Weather and should be prominent in the running. Has place claims. MIDNIGHT ADVOCATOR (5) finished among the placings last time out when finishing third at this track in what was his second run back from a spell. Should be further improved and has winning claims.

Not a prolific winner with just three victories from 31 starts. Last start finished eighth over 1400m at this track. Capable enough on his day and is one of the major players.
