FIRE PHOENIX (6) is much better than her last start run for eighth would suggest as she was reported to be coughing and fatigued. She went a bold race to finish third of 12 runners over 1000m two starts back and if she can find that form today she should prove hard to beat. WITCHWOOD (8) ran a good race over this distance on the turf last time out but found one too good on the day. She looks well placed in this line-up to go one place better. REGINA BELLISSIMA (5) has had two starts this prep with the latest run resulting in a fourth over 1000m at this track. She has placed previously when produced third-up and on that stat has each-way claims. DRESSEDTOTHENINES (9) ran well last start when finishing third at this track over 1200m and having her fourth run this prep she should be fighting fit. Expected to be figuring in the finish.

MAJORCA PALACE (6) ran a fair race over 1200m on this course last time out to finish fourth of eight runners when well supported. It must be noted that the horse that finished third that day has come out and won again. Rates as one of the leading chances. WHAT A TIGER (5) is racing in strong form this prep and following a last start second over this course and distance looks well placed to take this race out. It's worth noting that the winner of that last race he contested has come out and won again. Richard Fourie takes over the reins today and this gelding won't be far away at the line. ANOTHERDAYINAFRICA (2) looks close to recording another win following a last start third of 11 runners over 1000m. He has won once and finished third once from as many starts over this course and distance. Well worth a second look in this line-up. SHOT OF COURAGE (3) resumes from a spell having won his last two starts. From a good draw has place claims.

KING BAVARIAN (4) was doing his best work late when finishing third over 1900m on this course last time out. It must be noted that the horse that finished fourth that day has come out and won since. From a good draw he won't need to improve much on that last run to take this race out. GLOBAL RULER (2) ran a fair race over 1600m on the turf last time out to finish a close-up fifth. He races over 1800m for the first time and if seeing out the extra distance on offer should prove hard to beat. HELL'S BELLS (6) finished seventh over 1600m last start and should appreciate the extra 220m on offer today. Has place claims and should be included in exotic bets. BANDMASTER (3) is having his third run after finishing eighth over 1600m on the turf last start. In a fitter state and over the longer distance today he can finish in the money.

FASHIONIGMA (4) should have finished closer to the winner than fourth last timeout as she had to be steadied with 200m to run. She drops down in the ratings and from a good draw along with Richard Fourie back in the saddle rates as the runner to beat. SHAKEN NOT STIRRED (8) set the pace over 1600m last time but found one too good on the day. She has a 4kg claimer in the saddle and having finished second in three of her last five starts deserves a winning turn. If allowed to dictate her own pace in front should prove tough to peg back. HOT STRIKE (9) finished fourth last start over 1600m at Greyville in what was her second run this prep. She has won third-up previously and has to be respected. IM THE BUZZ (7) finished a close-up third over 1600m last start and in what is her fifth run this prep should be cherry-ripe. Well worth an each-way ticket.

BANZAI PIPELINE (6) was running on well when finishing fourth over 1800m on this course last time. He has won once, finished second once and third twice from six starts over this distance. He has dropped to a competitive rating and if not too far out of his ground turning for home he can return to winning form. BLAZING LIGHT (8) resumes from a spell. All three of his career victories have come on this course. He has won previously when produced fresh-up and should be fighting out the finish. KITTEN'S ADVENTURE (5) won her last start over 1200m at Scottsville. It must be noted that the horse that finished second that day has come out and won since. She has drawn well and looks well placed in this line-up to notch her fourth career victory. WRITTENINTHESAND (4) fought hard for her last start nose victory over 1450m on the Vaal Classic course. She is back against her own sex and if suited to the surface should prove hard to beat again. UMHLALI (9) showed good signs of a form return in her last start over this distance on the turf when finishing second at long odds. She resumes from a spell today and in a fresh-up state has each-way claims. ZARIYAH (8) got up to score right on the line last start over 1200m at this track when sent out as the favourite. She does take on stronger company but with Richard Fourie in the saddle should give a good account of herself.

QUANABI (1) ran a decent race when finishing fifth against male company in her last start over 1200m on the turf. She should have finished closer to the winner that day as she was tightened for racing room with 50m to run. She is back against her own sex and from the inside draw should prove hard to beat. FLOWER FESTIVAL (4) ran a fair race in her last start over this course and distance when finishing fifth of 10 runners. She received a check leaving the start but stayed on well at the finish. She jumps from a good draw and rates as one of the leading chances. SHONA KIRSTY YVES (10) has fair form lines to her credit. She drops in the ratings here and with luck in the running won't be far away at the line. KITTYBOYS GIRL (3) has had two starts this prep, the latest when finishing eighth over 1200m at this track. Cherry-ripe now and having placed third-up previously should be finishing in the money.

WILLIAM RUFUS (4) resumed from a spell last start and looked well in need of the run when finishing fifth over 1600m at this track. He has won once and finished second once from four starts over this course and distance. He takes a drop-in class and from his good draw he can return to winning form. TIME TOGETHER (6) ran a fair race over 1600m last time out when finishing third over 1600m at this track when well supported. Gavin Lerena steps back into the saddle and the combination should prove to be hard to peg back. JOSHUA HOTSNAKE (11) has won three times and finished third twice from six starts over this distance. He has drawn wide but in his current form can overcome that obstacle. Has each-way claims. COUNT MARSH (8) has been freshened up since he finished seventh over 1400m at this track. He has a solid record here at the distance with two wins and six placings from 10 starts. On his best form can figure in the top-three.
