INAFIX (4) made the expected natural improvement when finishing second in his last start over this distance on the Turffontein Inside course. He showed good speed but was outrun late. It must be noted that the horse that finished third that day has come out and won since. Richard Fourie is booked to ride and he can go one place better. MASK ON (5) showed good improvement in his last start over this course and distance when resuming from a spell to finish second. He would have come on from the run and should strip much fitter. VICTOR RAIL (1) has some good consistent form lines to his credit. He finished second in his only attempt over this course and distance when resuming from a spell last start. Muzi Yeni retains the ride and he may be rewarded for consistency. AMIGO (2) is an unraced son of Vercingetorix from the Louis Goosen stable with Gavin Lerena in the saddle. If not too green in running he should start his career on a positive note.

MIAS ATHENA (6) has won once, finished second once and third once from as many starts over this distance. She tries the polytrack for the first time and if suited should prove hard to beat. BONNE BOUCHE (5) was an easy winner of her last start over 1200m on the turf. She is likely to race on the speed and looks well placed to go back-to-back. SHIPHOLIA (1) fought hard for her last victory over 1200m at Greyville. She is unbeaten from three starts on this course and has solid e Has each-way claims. ROYAL SWAN MASTER (11) produced a promising debut effort last start to finish second over 1200m on this course. The manner in which he finished off his race that day was eye-catching. He would have gained from the experience and should like the extra 200m on offer. With the natural improvement that is expected he should be the one to beat. POWER STAR (6) ran a good race when finishing second over this course and distance last time out. The tongue-tie seems to have done the trick. If keeping on a straight line he should be fighting out the finish. HELSINKI (7) is having his first run on this surface and if suited can improve on his last start run for fifth over 1600m when well supported. KING OF QUEEN (9) is yet to break through in four runs. Finished sixth last start over 1600m at Greyville. Looks well placed in this line-up and has each-way claims.

JOHNNY THE THIEF (7) was an easy winner when shedding his maiden tag over 1600m on this course when sent out as the favourite. He does take on stronger rivals today but has plenty of scope and should be well up to the task at hand. LADY CANTON (4) has produced two good third place finishes over 2000m on this course. She comes into this event well weighted and should give the males a decent run for their money. FAMOUS AND RICH (6) has finished third in his last two starts under Jabu Jacobs. He has won twice, finished second once and third twice from six starts on this course. He has work to do at the weights, but is in a good space and should finish in the top-three. PORFIRIO (5) is a winner of his last three starts, the latest of which was over a mile on this course. He is in a good space and merits healthy respect. Rates as the runner to beat. ALLAROUNDTHEWORLD (9) ran a good race to finish third in his last start over this distance on the turf. He has won once and finished second three times from seven starts over this course and distance. Richard Fourie is in the saddle and he may be able to coax that little bit extra out of him when it matters most. FINAL DESTINY (6) finished fourth at this track over 1200m last start when sent out at long odds. This is a nice drop in grade so he should prove hard to beat. QUIZ MASTER (4) will strip fitter after running below expectations fresh-up at Greyville over 1400m last start. He has raced well second-up and from a good draw has to be respected.

SLEEK AS SILK (2) ran on from well back in the running when winning her last start over this course and distance. She has won once, finished second once and third once from five starts over this course and distance. From her good draw she can go back-to-back. ZINIKELE (9) has won twice and finished second once from four starts over this course and distance. Resuming from a spell and if not in need of the run she should go a bold race fresh-up and can place. IMPERIOUS DESTINY (8) may have found the 1200m on the sharp side last time. She has won twice and finished second once from as many starts over this course and distance. She is likely to race up on the speed and may prove hard to peg back. MORGAN LA FAY (11) ran a better race last start to finish a close-up second over 1400m at this track after missing the placings in her previous start. Looks well placed in this line-up to figure in the finish.
