TRIPPI T (8) has finished second in his last three starts. He showed good speed over this distance at Scottsville last time out as the favourite but found one too good on the day. He meets the right field and if not in need of this run he should prove hard to beat. **HELSINKI (1)** had excuses in his last start over 1400m on the turf. He resumes from a spell which may have done him the world of good. He has placed over this distance and is one of the leading chances. **BOMBER STREAM (3)** was disappointing in his last start over 1200m at Scottsville when finishing eighth of 10. He gets the blinkers refitted and with the services of Richard Fourie, he can place. **RECORD HIGH (4)** is an unraced son of Gimmethgreenlight from the Mike Miller stable with Tristan Godden in the saddle. The betting market will be the best guide as to his winning chances.

FASHION MISTRESS (10) resumed from a spell last start and finished a close-up fourth of eight over 1000m at this track when well supported. She would have come on from the run and should strip much fitter. Calvin Habib is likely to use her early gate speed to overcome her wide draw and she may be hard to peg back. **PANTEA (7)** finished second of eight at this track over 1000m last start and should be at peak now. Ready to win and is expected to be fighting out the finish. **ZULULANGA (6)** won well over 1000m in her last start over this course and distance, beating the above selection. She meets a similar line-up here and merits healthy respect. **PERFECT TRUST (9)** has not finished too far off the winner in recent outings. She should have no issues with the drop to 1000m and she can earn a well deserved victory.

VOLDEMORT (6) lost a length leaving the start last time and stayed on well to finish third of eight at this track when well supported. It must be noted that the winner of that race has come out and won since. He has won twice, finished second once and third twice from ten starts over this distance. If getting away to a clean start, he can notch up his fifth career victory. LICENCE TO THRILL (3) resumed from a spell last start over 1400m at Scottsville and looked well in need of the run when finishing eighth of 12. He has placed previously when produced second-up and jumping from a good draw of three has to be respected. SAVANTRIX (7) didn't make an impact at his last run when finishing ninth of 15 over 1200m at Kenilworth and was then put out for a spell. He has won fresh-up previously and should go a bold race. MUSIC IS LIFE (8) finished fourth of 10 here last start over 1200m and looks well placed in this line-up to finish in the top-three. Include in exotic bets.

SAN MARZANO (8) finished second of 12 at this track last start over 1900m at this track. Racing over a slightly longer trip can go one place better. TOM'S ACT (4) won a good race in his last start over 1900m on this course. He raced from a handy position and kept fighting all the way to the line. He is in a good space and has each-way claims. LUCRETIUS (1) ran a fair race over 1900m on this course last time when finishing sixth of 12 at this track. WYATT'S CHOICE (6) was settled near the rear of the field last time out and stayed on strongly to finish third of seven at this track over 1800m when well supported. If not far out of his ground turning for home he can return to winning form. RICCARDO (2) was not disgraced when finishing sixth of 16 at Grayville in what was a tougher field that he meets here. He jumps from an inside gate and looks well placed to return to form. MASTER OF DESTINY (8) has shown some signs of a form return in his last two starts. The manner in which he finishes off his races suggests that he will like the rise to 1800m. CYBER TIME (3) is better than his last start run over 1900m on the turf would suggest. He has won four times from seven starts over this distance. He jumps from a good draw of three and on best form shown, he should go close to taking this race out. DYNALLEY (4) stayed on well when finishing third in his last start over 1400m at Scottsville. The manner in which he finishes off his races suggests that he will enjoy the rise to 1600m. He has Craig Zackey in the saddle and can finish in the money. KUMEMORI (6) was an easy winner of his last start over 1400m on this course when well supported. It must be noted that the horse that finished fourth that day has come out and won since. He runs well for Richard Fourie and can go back-to-back. ROYAL SWAN MASTER (8) is better than his last start run over 1900m on the turf would suggest. He has won twice and finished second once from as many starts on this course. If getting away to a clean start he won't be far away at the line.

SPACE COWBOY (6) resumed from a spell here last start and should have finished closer to the winner as he was tightened for racing room between the 250m mark and 150m mark. He has won twice from three starts over this course and distance. He would have come on from his last run and should strip much fitter. With luck in the running he should be the one to beat. BALLY MAGIC (5) has performed well in his last two starts. After jumping from a handy gate Serino Moodley is likely to use his early gate speed and he may be hard to peg back. POLITICAL PARTY (1) is better than his last two starts would suggest. He takes a drop in class and with Richard Fourie in the saddle should be returning to form. FOREST JUMP (2) has fair recent form lines to his name. Four of his seven career victories have come over this distance. Rachel Venniker steps back into the saddle and he is well worth a second look.
