HOLLYWOODBETS DURBANVILLE WELCOMES ...

WARWICK (1) is an unraced son of Vercingetorix from the Justin Snaith stable with Grant van Niekerk in the saddle. He does not need to be a stable superstar to win a race of this nature and pole position is a big plus. The betting market will be the best guide with regard to his chances. GUARDING THE WALL (3) had to overcome a wide draw in his last start and weakened in the straight. His penultimate run when fourth here over this trip was encouraging. From his good draw of three, he should be right in the finish. HARD WINTER (4) strips fitter second up and with the step up in journey he is worth including in all multiples. BARNBOUGLE (6) only battled last time. His penultimate run when second over 1000m on this course, catches the eye. He finished third in his only attempt here over this distance and in his line-up he cannot be ignored

GREAT CAT (9) showed good improvement in her last start over 1000m on this course. She showed speed to lead them up that day and was only claimed late. She is a progressive type and in this line-up, she should go one better. LOOK FORWARD (1) has had to contend with a wide barrier position in her last two starts. She has finished second once and third once from three starts here over this distance and from the perfect inside gate, she is one of the leading contenders. MONTREAL (6) is much better than her last start and the form from that run has stacked up since then. She is well worth another chance. SEE YOU IN A BIT (3) was reported to be not striding out in her last start over 1000m. She would have come on from the run and should strip much fitter. Back against her own sex in this and she can improve to finish in the placings.

PINEAPPLEMINTGREEN (2) has improved in her last two starts over 1250m on this course. She got going too late when second last start. She will love the rise to 1400m and it is encouraging that Aldo Domeyer retains the ride. From her good draw, she is the one to beat. ICE RAIN (9) is better than her last start over 1250m on this course suggests. Her penultimate run when runner-up here over this distance was encouraging. With a bit of luck from her awkward draw, she should pose a massive threat. LOREINA (5) ran a fair race on debut over 1250m on this course. She lost a length at the start, understandably raced green but fought on bravely at the finish. She would have come on from the run and she can make her presence felt. WUGUG (3) was in need of her local debut over 1250m on this course. She will strip much fitter and is capable of getting a slice of this.

ELLORIX (10) fought on gamely at the finish over 1400m last time out but had to settle for runner-up. She steps up to the 1800m which will suit her well and even from a wide gate, she can go one better this time. ENCHANTING CHOICE (4) finished sixth and not far behind the top choice last time in the same race. She should have finished a lot closer that day and from a superior gate here, she should back her first cheque. ANALYTIC (6) was doing her best work late when four lengths behind the winner over 1400m last time. She is back against her own sex and will be at home over this middle distance. She is peaking third up and is ready to put her best hoof forward. MIRACLE IN MOTION (2) has moderate form lines to her name. ETOILEFILLANTE (4) showed good improvement in his last start over 1400m on this course. He stuck on gamely at the finish that day but had to settle for second place. He will love the extra furlong on offer and can go one better. FLY FUTURA (10) was in need of his debut effort here over this distance. He would have come on from the run and is a definite include for all combination wagers. DESTINY'S ANGEL (6) ran a fair race in his comeback run here over this trip, despite racing wide around the final turn. He would have benefited a great deal from that run and has each-way claims in this. PRIME VENTURE (3) was in need of his debut effort over 1250m on this course. GENTLEMAN JOE (7) ran on from last when third over 2000m on this course last time. He will be cherry-ripe third up and the drop back to the mile should not pose a concern in this line-up. Hard to beat. INCREDIBILL (5) showed some signs of needing his last start here over this distance. He will strip much fitter and with a drop in class he should pose a massive threat. CAPTIVE MOON (4) battled on strongly on when fifth over 1400m on this course last start. The removal of the blinkers seems to have done the trick and with a light weight to carry, he should have a say in the outcome of this contest. RIGHT ROYAL MO (2) was a brave winner in his last start over 1400m on this course. That form had since been franked and even in a slightly tougher field here, he is well worth an each-way ticket.

BONANZA (3) ran a good race when runner-up here over this trip last time out. He returns from a spell which would have done him the world of good. Richard Fourie is a positive jockey engagement and he may be able to coax that little bit extra out of him where it matters most. WILLIAM WEST (7) showed good speed when winning his maiden here over this distance. He would have gained a lot of confidence from that outing and there should be more to come. Each-way. WYLIE JACK (8) will be peaking third up and he did well to finish fifth off a wide run last start. Include in all combinations. ELUSIVE TRADER (5) stuck on gamely when fourth here over this trip last time out. That form has since been franked and he could be returning to some of the form he showed earlier in his career. He is right in this if he brings his A-game. WARM WINTER NITE (2) resumes here after closing off his last prep with a win at this track. Hard to beat again.

RAF'S ROCKET (5) was given a peach of a ride when winning his maiden here over this distance. The manner in which he finished off his race that day was very encouraging. He rises in class, but looks to be above average and should be up to the task at hand. WINTER PEARL (3) tried his heart out in his last start but had to settle for runner-up. The cheekpieces have done the trick on him and he is capable of going one better in this. MIGHTY MAC (8) finished fourth in the same race as the second pick last start and meets that runner slightly better off at the weights this time. He will be peaking third up and has to be respected on an each-way basis. SEEKING PEACE (6) is better than her last start as the jockey reported something to be amiss. She drops back in company for this and is definitely worth another chance. Each-way value.

MICHAEL FARADAY (8) ran a good race when fourth over a mile on this course last time. The manner in which he ran on at the finish that day was encouraging. The drop in journey is no problem and he should be involved in the fight to the finish. FAIRE ADVANTAGE (6) finished a length behind the top pick in sixth place last time out. He is probably better over this trip and only needs the right run to be a threat. Each-way. QUERANDI (7) is better than her last start suggests as she was reported to be not striding out. She returns from a spell, which would have done her the world of good and she has the scope to make her presence felt in this. Stick with her. KING'S RANSOM (10) showed a lot of courage to win his last start over 1450m on the Turffontein Inside course. He is a progressive type and if settled into his new surroundings, he should run a big race. A market watch is advised for this runner.
