MS GALORE (8) was disappointing in her last start after an encouraging debut effort over this distance at Scottsville. The daughter of Bezrin has scope and if not too green around the turn, she should be involved at the finish. DOIN' TIME (9) ran a good race when second over 1400m here on the poly track last time. He set the pace that day before getting caught late and finishing second. It must be noted that the horse that finished third has come out and won since. Hard to beat. DANUBE (10) returns from a 14-week break during which time he changed stables and was gelded. He gets the cheekpieces fitted for the first time. With a bit of luck in running, he can feature in this type of field. CATAVAR (5) is better than his last start here over this trip. He gets a change of headgear for this outing, and from a handy draw, he won't be far away.

SAHARA DAWN (9) hails from the visiting Sean Tarry stable. She is better than her last start, as she was reported to be distressed. Her penultimate run when second over 1450m on the Vaal Classic course was encouraging. She is having her peak run today, and if all went well with her travels, she should go close. PURPLE POWAHOUSE (7) stayed on when third here over this trip last time. He is having his peak run today and will be cherry-ripe. If not too far out of his ground turning for home, he could have the last say. NOW I GOT YOU (6) finished less than a length behind the second choice last time. He is 1kg better off at the weights today, and there should not be much separating the pair at the finish. WHEREVERILAYMYHAT (4) ran a fair race here last time out. If Athandiwe Mgudlwa is able to switch him off early, he should earn figure in the finish. Include in all combinations.

CAPTAIN'S CHRISTY (6) fought on when fourth against over 1000m at Scottsville last time out. She finished 1.75 lengths behind the second pick in her penultimate run. She is 3kgs better off at the weights today, and that should be enough for the tables to be turned. Hard to beat. CONVOCATION (4) beat the top pick in a game race last time out over this distance. She is in a good space and merits healthy respect. KHETHIWE'S DESTINY (5) returns from an 11-week break, which would have done her the world of good. She is unbeaten from two starts over this distance and is likely to race on the speed. If not in need of the run, she may be hard to peg back. She has won twice and finished third once from as many starts over this distance. If suited to the right-hand turn, she should take a power of beating from her good draw. SOVEREIGN GRANT (1) ran a good race when second over 1400m at Scottsville last time. She is the stable elect with Tristan Godden in the saddle. TEFLON MAN (6) was running on when fourth over 1100m at Kenilworth last time. The gelding of this fellow seems to have done the trick. He has won once and finished third once from as many starts on this course. He strips fitter and he can return to winning ways. SHIPHOLIA (1) has good recent form lines to her credit. She stayed on when second in the Marula Sprint last time. It must be noted that the form of that race has since been franked. From pole position, she is one of the leading contenders. GOOD TRAVELLER (4) finished fourth and not far behind the second selection last time. The pair meet on the same weight terms today, and another honest result is expected. AFRICAN SKYLINE (8) won the Fever Tree Stakes last time. He finished a game fifth and not far behind the second choice in his penultimate run. GIMMIE'S COUNTESS (1) should have finished closer in Grade 3 company last time out as she had to be switched for running room in the latter stages. It must be noted that the horse that finished fourth that day has come out and won since. She is the highest-rated horse in this contest and should return to winning ways. WARRIOR ROYALE (7) won a good race fresh up over this distance at Scottsville. Two of her victories have come on this course. She is in a good space and is one of the leading contenders. GREEN SAPPHIRE (2) won a good race over 1160m at Turffontein last time. It must be noted that the horse that finished second that day has come out and won since. Gavin Lerena retains the ride, and the pair merit healthy respect. REGENERATION (4) showed some signs of needing her last start over this distance at Scottsville. CATS PAJAMAS (7) was given a peach of a ride when winning his last start over this distance at Scottsville. He was slow into stride and got up where it matters most. He has won three times and finished third once from five starts on this course. Gavin Lerena steps back into the saddle and he can bring up the hat-trick. OXALIS GOLD (5) set the pace over this distance at Turffontein and found extra to hold all challengers at bay. She usually holds her form when fit and could take some pegging back again. O'TENIKWA (8) is better than his last start over this distance at Kenilworth. He ran a fair race when fourth in the Grade 1 Cape Guineas in his penultimate run. He has the gate speed to overcome the widest draw, and if fit, he can figure in the top 3. DANTONFROMSANDTON (2) is better than his last two starts. He finished second in his only attempt on this course. He gets his chance to show his true worth here and would not be a shock winner.
