RESURGENCE (1) returns from a spell and is having his first run for the Kelly Mitchley stable. He if not in need of the run, he can improve on his last run to take this race out. CONSIGLIERE (2) showed good improvement to finish third in his last start over this distance at Kenilworth. The blinkers seem to have done the trick. He is having his first run for the Gavin Smith stable and if settled into his new surroundings, he should prove hard to beat. CONNECTION (5) has not finished too far off the winner in recent outings. It must be noted that the horse that finished third in his last outing has come out and won since. He is likely to race up on the speed and may be hard to peg back. SWISS WALT (4) has been in the money at his last two outings, finishing second last start over 1200m at this track. Genuine each-way contender.

FANTASY GIRL (5) showed improvement when second in her last start over 1200m on this course when resuming from a spell. She is a progressive type and she should strip much fitter. She can go one better in this line-up. PROJECT RUNWAY (8) should have finished closer to the winner last time as she hung inwards in the final 400m. She should enjoy the drop to 1000m and is one of the leading contenders. MISS PREDATOR (7) looked in need of her debut effort over this course and distance. She would have gained from the experience and with the natural improvement that is expected should finish in the placings. THREAD OF LIFE (10) ran a better race last time at her second career start when fourth over 1200m at this track. Further improvement is likely so keep her safe.

RAPTOR ISLAND (6) followed up his maiden victory with a good third-place finish over this course and distance. He has won once, finished second once and third once from as many starts over this course and distance. S'manga Khumalo steps back into the saddle and the combination may find themselves in the winner's enclosure. ANUSCHKA'S WORLD (7) was given a gun ride when winning his maiden at the third time of asking. It must be noted that the horse that finished second that day has come out and won since. He takes on stronger rivals but he has plenty of scope and should be well up to the task at hand. JOYOUS JUBILEE (8) has good recent form lines to his credit. He is likely to race on the speed and merits healthy respect. HOLLY'S VIEW (1) won well at this track two runs back. LADY ZULTANITE (6) was running on well when third over 1900m on the polytrack last time. She won a good race in her penultimate effort over this course and distance. She is in a good space and must be included in all exotic bets. ON THE GUEST LIST (4) is better than her last start run over 1900m on the polytrack would suggest. KINGDUNDEE (3) stayed on well when equal second in a Listed event last time. He has ability and should prove hard to roll. HAPPY HOLLY (10) ran a good race when dead-heating for second with the top selection last time. She challenged strongly all the way to the line, but found one too good on the day who has come out and won again since. She should give the males a decent run for their money. SILVONIAN (6) continues to race well with a win two back at this track before finishing second last time over 1200m at this track. Has good early speed so should take up a forward position. Will be in this for a long way. HAVANA GREY (11) won a game race in her last start over 1000m on the polytrack. She has plenty of scope and is the stable elect with Richard Fourie in the saddle.
