WHITE SEAHORSE (2) showed very good improvement when second in his local debut here over 1800m on the poly track. Things didn't go his way in the early stages which didn't help his chances. He jumps from a good draw of two and with a bit of luck in running, he can go one better. O SPACE O (9) showed massive improvement in his local debut here over this trip. He set the pace after a slow start before getting caught late. He should be hard to peg back again. VENCEDOR (3) ran a good race when third over 1400m on this course last time. It must be noted that the horse that finished second that day has come out and won since. He has place claims again. PRINCE FLORIAN (7) only battled last start and that effort is best ignored as he was reported to be not striding out. He finished a nose behind the third choice in his penultimate run and the pair meet on the same weight terms today. There should not be much separating them at the finish.

GOT THE FEVER (2) ran a fair race over this distance at Greyville last time. The recent 13-week break would have done her the world of good. She meets the right field and if fit, she should find herself in the winner's enclosure. LA VIDA LOCA (3) has fair consistent form lines to her credit. She has finished second once and third once from as many starts on this course. She is one of the leading contenders. GLORIOUS BUTTERFLY (9) has been thereabouts lately. She is likely to be settled near the rear of the field from her awkward draw and will be mowing down the frontrunners. Watch for her late. Each way. DEE DAY (7) is better than her last start suggests as she was reported to be not striding out. She was in good form before that and would not be a shock winner.

KITCHAKAL (5) had to overcome a wide draw in his last start over 1400m on this course. The manner in which he fought on at the finish that day was encouraging. He has won twice and finished third once from as many starts here over this trip. He jumps from a handy draw and if this run has not come too soon, he should be the one to beat. BRISTOL HERCULES (10) finished in the money behind a race rival and third pick last time out. He is 1.5kgs better off at the weights today and there should not be much separating the pair at the finish. CAPSAICIN (11) beat the second pick when winning a good race last start. Sean Veale is likely to take him to the front once again and he may be hard to peg back. LAST ONE STANDING (9) is better than his last start here on the poly track. He has won once and finished second three times from as many starts on this course. With a bit of luck in running, he should be involved in the fight to the finish.

PLAZA ACCORD (5) resumes from a spell that may have done him the world of good. He drops down in class and gets the services of Muzi Yeni. If not in need of this outing, he can return to winning ways. PALERMO (1) ran a fair race over this distance here on the poly track last time. He has finished second once and third once from as many starts over this distance. He is having his peak run today and from pole position, he should be involved at the finish. SWEEPER KEEPER (3) fought hard for his last victory over this distance at Greyville. The cheekpieces did the trick on him and he is in a good space. Each way value. PHAKA IMALI (9) ran on powerfully when winning his last start over this distance at Greyville. It must be noted that the horse that finished fourth that day has come out and won since. He is likely to be settled near the rear of the field and could have the last say again.

MAGMA MAGIC (1) is better than his last start as there were excuses at the starting stalls. He has won once, finished second once, and third once from as many starts here over this trip. He jumps from pole position and if everything goes according to plan, he will be the one to beat. STARS IN HEAVEN (6) is a winner of his last two starts, the latest of which was here over this distance. He returns from a well-deserved 10-week break. If not in need of the run, he can bring up the hat-trick. NUMZAAN (3) fought hard when second over this distance on the poly track last time. He is up in class but with only 52kg on his back, he should be right in the finish again. BLACKBERRY BREEZE (5) returns from a decent spell and makes his stable debut. If not in need of this outing, he should give a good account of himself. Include in all combinations.

ONE SMART COOKIE (4) was running on when second over 1100m on this course last time. She has won twice, finished second twice, and third twice from eight starts here over this trip. If not too far out of her ground at the halfway mark, she can have the last say this time. COLORADO CREEK (6) has been holding her form and has Kabelo Matsunyane back in the saddle, who knows him well. The pair merit healthy respect on an each-way basis. EMERALD GREEN (1) fought on gamely over 1100m on this course last time. Three of her four career victories have come here over this trip and if jumping on terms, she should be involved at the finish.
