BERRINGTON BLEW (3) showed good speed over 1200m last time but found one too good on the day. Her debut effort two starts back when fourth of 13 over this course and distance was encouraging. She has plenty of scope and she may find herself in the winner's enclosure. CAPTAIN'S PRIDE (4) stayed on well when third of nine over 1100m on this course last time. She is a progressive type and is one of the leading contenders. I'M A FIREBALL (12) is an unraced son of Vercingetorix from the Mike and Mathew de Kock stable with Kabelo Matsunyane in the saddle. If not in need of this outing, he should start his career on a positive note. The betting market will be the best guide with regards to his chances. BLACK FROST (13) should have finished closer to the winner last time as he had to change ground for running room at the 250m mark. With a bit of luck in the running, he should be figuring in the finish.

YOUR LADYSHIP (8) produced a promising debut effort when third over this course and distance last start. The manner in which she stayed on at the finish that day was encouraging. She would have gained from the experience and with the natural improvement that is expected, she may be the one to beat. AUSTRIAN BEAUTY (11) finished fourth of 11 at long odds last start beaten at this track over 1200m. Looks well placed to finish in the money. UMZOLOZOLO (7) stayed on well when fifth over 1400m on this course last time. It must be noted that the horse that finished second that day has come out and won since. She should love the rise to 1750m. She is having her peak run and in this field, she can shed her maiden tag. ROYAL MERMAID (1) is better than her last start on the polytrack would suggest as she was reported to be not striding out. Her penultimate run when third of 10 on this course was encouraging. DANCING ON A CLOUD (2) produced an eye-catching run on debut effort over 1400m on this course last start when well supported. He took time to find his feet that day but ran on well at the finish. He would have gained from the experience and should like the rise to 1600m. With the natural improvement that is expected should be the one to beat. O SPACE O (7) produced a typical second run after a rest last time. His penultimate run when second over this course and distance catches the eye. He is having his peak run today and may be hard to peg back. GREEN MILE (4) should have finished closer last time as he had to change ground with 500m to run. He has placed in four of his last five starts and from a good draw of four rates well as a leading chance. DEE DAY (10) is likely to use her early gate speed to overcome the wide draw without using up too much energy. She should give the males a run for their money and is well worth considering.
