EXTRACTION (11) in what was just her second race day start showed some improvement in her last start over 900m on this course, finishing second of eight at this track. The manner in which she finished off her race that day suggests that she will enjoy the extra 200m on offer. Looks well placed in this line-up to shed her maiden tag. GREY FANTASY (1) was well supported when finishing third in the same race as the top selection when on debut last start. Plenty of improvement to come and she rates well as a major player. ETHEREAL VIEW (5) finished fourth in the same race as the two top selections last start when sent out as the favourite. She will enjoy the extra 200m on offer and should prove to be competitive. GLAMORZ (10) in just her second raceday start showed improvement to finish second in her last start over 1000m at Greyville, despite the saddle reported to have slipped in the running. She is a progressive type and has solid each-way claims.

YANNAKIS (7) resumes from a spell following a last start second of eight as the \$2.30 favourite in what was his only start last prep. He raced from a handy position over this distance on the polytrack last time. He has plenty of scope and if putting his best foot forward he can shed his maiden tag. CAPTAIN MARSALA (6) has shown improvement in his last two starts with the blinkers fitted, finishing second in both runs. He returns from a spell during which time he would have strengthened up. If not in need of the run, he should go close to taking this race out. RUN TO RIO (10) stayed on well when finishing second of 11 over this course and distance last time. He tries the blinkers for the first time which should help to keep his mind on the task at hand. Fresh-up has winning claims. HEAVEN'S WILL (9) in what was just his second raceday start showed good improvement in his last start over this distance at Greyville, finishing second of seven. Should be finishing in the top-three.

BANDMASTER (7) resumed from a spell last start and stayed on well when finishing fourth of 11 over 1700m on the polytrack. It must be noted that the horse that finished second that day has come out and won since. He will like the rise to 2400m and if seeing out the extra distance on offer, he can shed his maiden tag in this field. ONLY A POET (3) has placed in all of his last three starts including a last start third of 10 over 2200m at Greyville. He has drawn well and deserves a winning turn. IRON MONGER (8) stayed on well when finishing sixth over 1600m on this course last time out. The manner in which he finished off his race that day suggests that he will like the rise to 2400m. If jumping on equal terms with his rivals can finish in the placings. RAINBOW OF ROSES (5) ran a fair race over 2000m at Greyville last time out. PINSTRIP (6) resumed from a spell last start and scored a nose victory over 1400m at Greyville last time out when well supported. She should strip much fitter today and looks well placed to go back-to-back. DRIVE BY (7) should have finished closer than fourth last time over 2000m at Greyville as she was held up for a run with 350m to run. She is likely to be settled near the rear of the field after jumping from her wide draw and with luck in the running should be hard to beat. GELSOMINA (2) came home strongly to score over 1600m on the polytrack last start. She tries the 1750m for the first time and if seeing out the extra distance on offer she should be figuring in the finish. THEAPPLEOFMYEYE (5) stayed on well when finishing fourth over 1400m on this course last time. If repeating that effort in this field, she can finish in the placings. Include in exotic bets.

HIPPOCRATES (9) set the pace over this distance on the polytrack last time, but found one too good on the day. He has won three times, finished second twice and third once from ten starts over this distance. He looks well placed in this liner-up to notch up his sixth-career victory. FLIGHT PATH (6) resumes from a spell having had just the one start last prep when shedding his maiden tag over this course and distance. He would have strengthened up during his break and fresh-up rates well as an each-way chance. HAPPY WANDERER (7) stayed on well when finishing fourth of nine over this course and distance after having won his previous start over 1200m at this track when sent out at long odds. Well worth a second look. JET LEGACY (2) in his second run this prep stayed on well when finishing third of nine over 1000m on this course last time. He is having his peak run today and will be cherry-ripe. Muzi Yen does duty and he rates well as a main danger.

DONQUERARI (7) should have won his last start over this distance on the polytrack as he had no luck in the straight. Two of his three career victories have come on this course. With better luck in the running can return to winning form. LICENCE TO THRILL (6) stayed on nicely over this distance at Greyville last time, finishing fifth of nine and was then put out for a spell. He has won once and finished second once from as many starts over this course and distance. If not in need of this run he should give a good account of himself. TRIBUTE TO YOU (1) wasn't that far away last time out when finishing a nose solid second of seven over 1200m at Greyville when well supported. Looks ideally placed here to atone. MASTER JOSH (9) resumes from a spell after having won over 1400m last time out. Worth noting that he finished second of 13 when returning from a spell last prep over 1400m at Greyville. Well worth a second look.
