HAPPY VALENTINE'S DAY MAIDEN PLATE

FLAT ALL WEATHER Participants #8

SMASHING (5) was slightly disappointing in her last start over 1160m at Turffontein. Her first two career outings were encouraging. She tries the blinkers and if the headgear has the desired effect, she can shed her maiden tag. SWEET JULIA (6) returns from a spell during which time she would have strengthened up. She has plenty of scope and if fit, she can show good improvement in this field. LADIES DAY (1) returns from a spell which may have done her the world of good. She shows good speed in her races and from pole position she may be hard to peg back. BELLE FONTAINE (4) is racing on the synthetic for the first time today on her return from a spell. Kicked off the last prep with a seventh at Scottsville over 1200m. Don't underestimate.

TRUE LOVE'S KISS (1) has shown good improvement in each of her outings to date. She raced from a handy position over 1400m last time and stayed on well at the finish to run third of 12. She is a progressive type and from pole position she should prove hard to beat. ACCUMULATE (5) ran a fair race to finish third of nine over 1500m at Scottsville last time. Has each-way claims. CANFORD QUEEN (8) fitter again and drawn the widest but has good speed to overcome a wide gate. Racing over a longer trip today is well worth including at odds. PERFECTLY PICKED (6) made progress finishing midfield last start at Scottsville when resuming from a spell. Racing in a fitter state could add some value to exotic bets.

KING'S ISLAND (5) is a seven-start maiden who resumed from a spell last start and finished fourth of 10 over 1750m at Scottsville. Likely to push forward and race up on the pace and racing in a fitter state is sure to be in the finish. **ELECTRIC STORM (4)** should have finished closer to the winner when finishing fifth last time. His form prior to that with the blinkers fitted was decent. **Richard Fourie** is booked to ride and he may be able to coax that little bit extra out of him when it matters most. **IRON MONGER(2)** is better than his last start run for sixth of eight would suggest as the saddle was reported to have slipped. He gets the blinkers fitted for the first time which should keep his mind on the task at hand. He jumps from a good draw and will be doing his best work at the finish. Has each-way claims. **SPECMAGIC (1)** was out of the money two runs back then again missed the frame last start over 1800m at this track. Nicely placed in this line-up to find some form.

RODRIGUEZ (6) was running on too late when finishing second over 1700m last time. He should like the rise to 2000m and if not too far out of his ground turning for home, he should go one better. **AFRICAN DUSK (2)** won a good race in his last start over 1800m on the turf. Has the ability to figure in the finish. **SHOOT THE RAPIDS (5)** was not beaten far in his post-maiden effort over this course and distance when finishing fifth of 12. He has plenty of scope and should give a good account of himself. **EVERY CLOUD (7)** missed the placings two runs back then improved last start but found one better over 2000m at Turffontein Standside. ESQUEVELLE (3) has won twice and finished third once from four starts on this course. He is likely to race up on the speed and if putting his best foot forward he can return to winning form. DONQUERARI (5) was unlucky not to have won his last start over 1200m on this course. Has the pace to settle in the leading division and should give backers a sight. Has each-way claims. LUNARCAM (4) scored a good win at his only run last campaign at Scottsville over 1000m and resumes from a spell. Likely to push forward and race up on the pace. Best figures should see him run well. KENNEDY (7) won a good race in her last start over this distance on the turf. She raced from just off the pace, moved up well and kept finding all the way to the line. She returns from a spell which would have done her the world of good. If suited to the polytrack, she can follow up. VISION OF WILL (3) has good consistent form lines to her name. She gets the services of Rachel Venniker who takes the 1.5kgs off her back. From her good draw she should prove hard to roll. MAGICALLEE (5) showed some signs of a form return last time when finishing fifth of eight, despite reported to be not striding out. WILLIAM RUFUS (1) rallied late when finishing second over this course and distance last time. Jumping from the inside draw he should prove hard to beat in the run home. LAST ONE STANDING (6) resumes from a spell after a good second-place finish over 1600m on the turf last time. Fresh-up should prove hard to roll. BOWIE (7) finds it hard to win with just the four victories from 44 starts. He finished a close-up fourth over 1400m at this track last start and looks well placed here to finish in the top-three. TIME TOGETHER (9) returned from a spell last start and looked well in need of the run when finishing eighth over 1400m at this track. He has won second-up previously and on that score deserves consideration.

LOVE BOMB (4) stayed on well when finishing fifth over 1400m last time when having her second run this prep. She is having her peak run and on best form shown, she should go close. AISLING (6) stayed on well when finishing fourth over 1000m at Scottsville last time. She has won twice and finished third once from five starts over this course and distance. She will be at peak fitness and can finish in the money. ASPOESTERTJIE (7) continues to race well with a win two back at Greyville before finishing third of nine last time over 1200m at Greyville. Looks well placed in this line-up and is a leading chance. RED ROSES TOO (3) finished seventh last time out over 1200m on turf at Scottsville. First try on synthetic today and is sure to play a significant role.
