MC DAZZLER (2) has been disappointing in his last two starts. He has finished second twice from as many starts over this course and distance. On best form shown he should be the one to beat. RECORD HIGH (1) is better than his last start run at Scottsville would suggest. He ran a good race when finishing second of eight over 1200m on this course in his penultimate run. If finding the form of that race he should be fighting out the finish. GALACTUS (4) ran a fair race over 1000m at Scottsville last time when finishing third of seven. He tries the 1400m for the first time and if seeing out the extra distance on offer can finish in the placings. WHEREVERILAYMYHAT (7) has run two fair races to date. He drops back to 1400m and has place prospects.

DECEPTION PASS (5) should have finished closer to the winner last time as he hung inwards over the final 250m. He has finished second in all of his last three starts and rates well as a leading chance. TERYAKI (9) has consistent form lines to his credit. He was running on well when third over this distance last time. With a bit of luck from his wide draw should be competitive. ISIKWISHIKWISHI (8) ran a fair race on debut over 1000m at Scottsville last start. He would have come on from the run and will like the rise to 1400m. TURN AROUND (6) is better than his last start run would suggest as he was reported to be not striding out. He has been gelded since that outing which may have done the trick. If finding the form of his debut run he should figure in the finish.

BURNING MAN (2) has finished second in his last three starts, the latest of which was over 1750m at Scottsville when sent out as the favourite. He tries this course and distance for the first time and if suited he should be the one to beat in this field. BELLA'S PABLO (4) raced from a handy position over 1950m at Scottsville last time but found one too good on the day. He finished second in his penultimate run on this course. He is likely to race up on the speed and may be hard to peg back. MISHRAH (1) resumes from a spell following a last start seventh of nine at Turffontein Inside over 1600m when on debut. Improver who fresh-up can feature in the finish. RED MOUNTAIN (10) finished third last start over 1750m at Scottsville, beaten 3.5 lengths. Will be rock-hard fit and has place claims.

ZAKHO (7) should have finished closer last time as he hung inwards over the final 300m. He won his only attempt over this course and distance. He will be at peak fitness and if keeping on a straight line he should prove hard to beat. VIVA SPIRIT (4) ran a fair race over 1600m on the Turffontein Inside course last time, finishing third when resuming from a spell. He would have come on from the run and should strip much fitter. He jumps from a good draw of four and has to be considered. PIRATE PRINCE (2) ran fourth of nine at Scottsville last start when sent out at long odds. Makes plenty of appeal. ABERDEEN (5) placed second of nine last start at this track and is expected to go forward here, in the mix.
