LASHLAROO (8) produced an eye-catching debut effort over this course and distance to finish fourth. He lost a length leaving the start but finished his race off strongly. With a run now under his belt he should go close today. ANDY COOGLE (4) is better than his last start run over 1600m at Scottsville would suggest. His best career effort has come over this distance. From a good draw can return to form. WARHAWK BOMBER (6) was disappointing in his last start over 1600m and was then put out for a spell. His penultimate run when finishing third over 1400m on this course was eye-catching. Richard Fourie in the saddle and this gelding fresh-up should be finishing in the top-three. CHAMPONELLE (2) should have finished closer than sixth last time out as he hung over the closing stages. If keeping on a straight line today rates as an each-way chance.

PHAKA IMALI (8) stayed on well when finishing third over this course and distance last start. He returns from a spell today. He has won once, finished second twice and third once from eight starts over this course and distance. If not in need of the run, he can notch up his third career victory. TRADE WAR (6) showed good signs of a form return in his last start over this distance on the turf. It must be noted that the form of that race has been franked. He has dropped to a competitive rating and is one of the leading contenders. DROGARATI (5) showed signs of needing his last start over this distance on the turf when resuming from a spell. He would have come on from the run and should strip much fitter here. BRAVE VOYAGER (3) was slightly disappointing in his last start over 1600m. The drop to 1200m is no concern as he has previously won over the distance. He is likely to race up on the speed from his good draw and should prove hard to peg back.

JUSTFORTHEEPENNY (1) was running on well when finishing second over 1600m on this course last time. He has finished second once and third once from three starts over this course and distance. He jumps from pole position and in this line-up he can go one place better. FISH EAGLE (2) ran a fair race against slightly stronger opposition over 1600m last time. He races over 1800m for the first time and if seeing out the extra distance on offer should pose a threat. THUNDER MASALA (3) showed good signs of a form return over 1600m at last time. He jumps from a good draw and can finish in the placings. RAVENS SWORD (6) should have finished closer to the winner last time out as he had to change ground for running room with 250m to run. He has dropped to a competitive rating and with better luck in the running can place.

HUGSANDHIGHFIVES (12) raced from a handy position over 1200m on this course last time, came home strongly but was out-run late. She has finished second once and third once from as many starts over this distance. She has drawn the widest gate but with Richard Fourie in the saddle can gain a well overdue win. STING RAY (4) raced wide around the turn last time but stayed on well to finish second. The removal of the blinkers seems to have done the trick. She jumps from a handy draw and should be figuring in the finish. STAR CHOICE (6) just missed out last time at this track when finishing second over 1400m when well supported. Gets some weight relief today and is a solid each-way chance. PETIT VERDOT (5) has been in the market at her last couple of starts but hasn't made an impression, last start running fourth at this track. Can sneak into the finish.

ISORENDER (5) has shown good improvement in each of his outings to date. He raced from a handy position over 1400m on the turf last time and stayed on well to finish second at long odds. He should like the rise to the mile and he can go one place better in this line-up. MORNING CHESSE (7) should have finished closer than fourth last time as he hung over the closing stages. If keeping on a straight line he should prove hard to beat. JOSEPHINE'S PRIDE (8) finished seventh two runs back then improved last start to finish a neck second over 1900m at this track.
